The Forgiven World and What Is To Come

To forgive is merely to remember only the loving thoughts you gave in the past, and those that were given you. All the rest must be forgotten. Forgiveness is a selective remembering, based not on your selection. Be willing to forgive the Son of God for what he did not do. (T 354)

Can you imagine how beautiful those you forgive will look to you? In no fantasy have you ever seen anything so lovely. Nothing you see here, sleeping or waking, comes near to such loveliness. And nothing will you value like unto this, nor hold so dear. Nothing that you remember that made your heart sing with joy has ever brought you even a little part of the happiness this sight will bring you. For you will see the Son of God. You will behold the beauty the Holy Spirit loves to look upon, and which He thanks the Father for. He was created to see this for you, until you learned to see it for yourself. And all His teaching leads to seeing it and giving thanks with Him. (T 352)

This loveliness is not a fantasy. It is the real world, bright and clean and new, with everything sparkling under the open sun. Nothing is hidden here, for everything has been forgiven and there are no fantasies to hide the truth. The bridge between that world and this is so little and so easy to cross, that you could not believe it is the meeting place of worlds so different. Yet this little bridge is the strongest thing that touches on this world at all. This little step, so small it has escaped your notice, is a stride through time into eternity, beyond all ugliness into beauty that will enchant you, and will never cease to cause you wonderment at its perfection.

This step, the smallest ever taken, is still the greatest accomplishment of all in God's plan of Atonement. All else is learned, but this is given, complete and wholly perfect. No one but Him Who planned salvation could complete it thus. The real world, in its loveliness, you learn to reach. Fantasies are all undone, and no one and nothing remain still bound by them, and by your own forgiveness you are free to see. Yet what you see is only what you made, with the blessing of your forgiveness on it. And with this final blessing of God's Son upon himself, the real perception, born of the new perspective he has learned, has served its purpose.

The real world is attained simply by the complete forgiveness of the old, the world you see without forgiveness. The Great Transformer of perception will undertake with you the careful searching of the mind that made this world, and uncover to you the seeming reasons for your making it. In the light of the real reason that He brings, as you follow Him, He will show you that there is no reason here at all. Each spot His reason touches grows alive with beauty, and what seemed ugly in the darkness of your lack of reason is suddenly released to loveliness. Not even what the Son of God made in insanity could be without a hidden spark of beauty that gentleness could release.

All this beauty will rise to bless your sight as you look upon the world with forgiving eyes. For forgiveness literally transforms vision, and lets you see the real world reaching quietly and gently across chaos, removing all illusions that had twisted your perception and fixed it on the past. The smallest leaf becomes a thing of wonder, and a blade of grass a sign of God's perfection.

How much do you want salvation? It will give you the real world, trembling with readiness to be given you. The eagerness of the Holy Spirit to give you this is so intense He would not wait, although He waits in patience. Meet His patience with your impatience at delay in meeting Him. Go out in gladness to meet with your Redeemer, and walk with Him in trust out of this world, and into the real world of beauty and forgiveness.

"In quiet I receive God's Word today."

Your Father wills you hear His Word today. He calls to you from deep within your mind where He abides. Hear Him today. No peace is possible until His Word is heard around the world; until your mind, in quiet listening, accepts the message that the world must hear to usher in the quiet time of peace. (W L 125)

This world will change through you. No other means can save it, for God's plan is simply this: The Son of God is free to save himself, given the Word of God to be his Guide, forever in his mind and at his side to lead him surely to his Father's house by his own will, forever free as God's. He is not led by force, but only love. He is not judged, but only sanctified.

In stillness we will hear God's Voice today without intrusion of our petty thoughts, without our personal desires, and without all judgment of His holy Word. We will not judge ourselves today, for what we are can not be judged. We stand apart from all the judgments which the world has laid upon the Son of God. It knows him not. Today we will not listen to the world, but wait in silence for the Word of God.

Hear, holy Son of God, your Father speak. His Voice would give to you His holy Word, to spread across the world the tidings of salvation and the holy time of peace. We gather at the throne of God today, the quiet place within the mind where He abides forever, in the holiness that He created and will never leave.

He has not waited until you return your mind to Him to give His Word to you. He has not hid Himself from you, while you have wandered off a little while from Him. He does not cherish the illusions which you hold about yourself. He knows His Son, and wills that he remain as part of Him regardless of his dreams; regardless of his madness that his will is not his own.

Today He speaks to you. His Voice awaits your silence, for His Word can not be heard until your mind is quiet for a while, and meaningless desires have been stilled. Await His Word in quiet. There is peace within you to be called upon today, to help make ready your most holy mind to hear the Voice for its Creator speak.

It is your voice to which you listen as He speaks to you. It is your Word He speaks. It is the Word of freedom and of peace, of unity of will and purpose, with no separation nor division in the single Mind of Father and of Son. In quiet listen to your Self today, and let Him tell you God has never left His Son, and you have never left your Self. (WL 125)

Only be quiet. You will need no rule but this, to let your practicing today lift you above the thinking of the world, and free your vision from the body's eyes. Only be still and listen. You will hear the Word in which the Will of God the Son joins in his Father's Will, at one with it, with no illusions interposed between the wholly indivisible and true. As every hour passes by today, be still a moment and remind yourself you have a special purpose for this day; in quiet to receive the Word of God.

(From TWOM Lesson 34)

You Are Here to Extend the Love of God into Creation

I will be with you always, even unto the end of all worlds; that is, unto the end of all illusions. From that moment, Creation will extend Itself with perfect clarity, with perfect transparency, as God merely extends God in a joyous, ecstatic act of becoming the forms of creation, merely to celebrate and praise God. For the very purpose of all created forms of consciousness is to express praise of the Creator.

It is impossible to extend praise of the Creator without fully loving oneself. Without embracing and loving the particular manifestation of God as you, you cannot fully step into the complete expression of the praise of the Creator. Therefore, you have heard me say unto you many times, that the veil that keeps you from the Kingdom is the lack of Self-love. Self-love is essential to return to the Kingdom, for Self-love is the love of the Creator. You cannot love the Creator while rejecting the Creator's Creation.

Indeed, then, beloved friends, know well that we who would come unto you, indeed, we that have been coming unto you since the day and hour and moment that this work began; it has always been a "we" and not just an "I," as Jeshua ben Joseph.

For there are, indeed, many of us who are linked together, in what we call "the lineage," that extends far back in your history of time, creating what you might call in your scientific terms a resonance of energy that links the Mind of the Creator, through the epochs of time, through many individual minds, even unto this moment.

It is, indeed, that lineage that brought forth the strand of salvation that culminated in my incarnation as Jeshua ben Joseph. The script was written thousands of years before. The linkages of energy were created generation unto generation unto generation unto generation, culminating in the birth of me as a man, who opened to the reality of Abba as the only Reality through which the Creator could extend the perfect Love of Himself, and make it visible to His children abiding in the spell, or under the spell, of illusion.

That work has never ceased. And, indeed, let it be known that the work that is done through this, called the Shanti Christo, is an extension of, and a collaboration with the entirety of that lineage, that strand of Light, extending from the Mind of God into the forms of time with one purpose – to awaken every aspect of the Sonship.

And what can the Sonship be but the extension of God into form, into that which appears as an individual – that which can create, that which can enter into holy relationship, that which can remember the fullness of Abba, while being the particular individual in the field of space and time.

The purpose, then, of the lineage has never changed. And it has, indeed, gained in power through practice and through adding to its numbers. Imagine, then, a field of energy that attracts minds floating by it. And as those minds begin to resonate with the message or the word of God, as it is being expressed through this energy field, this lineage, they become like unto the field of energy itself.

I, as Jeshua ben Joseph, am merely the culmination of the expression of That in the field of space and time. And from that moment, it has begun to spread out and to seep, if you will, into more and more minds as the Sonship is awakened to the resonance with the field of energy that is the Christ Mind.

You are in the process of ultimate transfiguration. “You” are part of an ancient lineage with but one purpose: the complete transfiguration of human consciousness into being the literal field of Christ Mind, extending Creation throughout the physical dimension.

There are many extraordinary things ahead for humanity. There are many extraordinary things ahead for you. And no matter how deeply you have stepped into this journey, no matter how many transfigurative experiences you have had, as the false self melts away, and the reality of Abba is birthed in the mind made by God, there is always more. There is always more.

You are already embraced and supported by many, many beings abiding in a nonphysical dimension, that are part of this expanding circle of energy that we call "the lineage." Our numbers are numerous. Many of our names, if you will, are known to you. Who are we, then? Well, you know me. You know that of Germain. You know that of Mary. You know that of Abraham and Moses. There are many, many others.

Self-love, then, is the perfection of all spiritual practice. Self-love is the final, shining ray of light that illuminates the heart of the individuated ray of light that you are. Self-love transfigures the mind, the emotional body, and even the physical body, to the degree that it strongly shines into the cells of the body.

In *The Way of Mastery* we have sought to help you dismantle your illusions, to soften your heart and your mind, to be more and more willing to be less fearful. By becoming less fearful, you have, indeed, opened more and more to the guidance of the Holy Spirit. You – you reading these words – are of infinite importance in the expression of this work that is called Shanti Christo, more than an organization.

What Is To Come

Therefore, understand well your great importance. Many of you have perceived that you are merely a receiver through this organization. Yet, as you receive you are giving. And as you give, you receive. You are part of the lineage – the field of energy creating a vortex that has the power to overcome illusions. Many of you are seeing this in your personal lives.

Those of you that are witnessing this increase in power, individually and collectively, you are literally witnessing exactly what I am talking about – that the vortex of energy is expanding and deepening. You are literally witnessing the forerunning effects of what is to come; when the day will arise when no one will need to say a word. And yet, through the gathering of the lineage, individuals who are attracted will heal, spontaneously, and immediately drop into enlightenment.

All of you are part of this. This is how extraordinary you are! And this is the invitation that we constantly extend to you. Think not that that which is called Shanti Christo is simply another worldly organization. The deepest levels of transfiguration are already occurring through this lineage, through this strand or ray of light.

Therefore, indeed, embrace that which you are, honor that which you are, extend that which you are. Go and teach all nations. Let them know that I have come again and that this expression, called Shanti Christo, shall become increasingly, a primary vehicle through which the lineage is creating the vortex, the portal, the initiation – call it what you will – the energy of transfiguration that will quicken in its enlightenment, or Atonement, of the Sonship.

The lineage, then, never ceases working in establishing the network of light that allows the expression of this light visibly – through this vehicle called Shanti Christo. We recognize well that as you live your personal lives, seemingly many, many miles from one another, often with little third-dimensional contact, it is easy for the mind to cast the spell upon you that not much is occurring. And yet, I say unto you: it will occur with you or without you.

The invitation, then, is to take up your rightful place by stepping into the full commitment for the birthing of this extraordinary expression that shall, indeed, eventually touch all corners of your planet. That has been its purpose since long, long, long ago. The birthing, then, of Shanti Christo is perfectly an expression of that which was just as important – called my birth, and my crucifixion and resurrection. It's all part of the same script.

Something in you has attracted you to me. Something in you has attracted you to the lineage. Something in you resonated with Shanti Christo. For those words carry the vibration of the call that I have told you from a time quite ancient, you would one day "hear" as you become "quickened from the dead," to use a Christian phrase, the awakening of the soul, the call back home to the family, to the lineage, to the purpose of the Atonement.

Take up, then, your rightful place and begin to give up hiding your Light under a bushel. If there is anyone you know who does not yet know of your involvement in Shanti Christo, it is time to empower yourself to move beyond fear by letting them know.

It is, indeed, time to start standing up to be counted as one who is committed to the transfiguration of human consciousness, through the lineage of the Christ Mind, pure and simple.

Step Forward

And so, you are extraordinarily important. You must begin to discipline the mind to not perceive yourself as a small part, not to perceive yourself as separate from one another, to begin to take action to create the lines of communication, even in the third dimensional realm. It is time for you, as individuals, to step forward in the birthing of Shanti Christo, instead of waiting and depending upon its founders or upon the handful that seems to have gone a little further ahead. You are that one – you, the reader of these words. And if you will but step forward, the whole power of the lineage will support you.

So, the invitation is, indeed, bold. And the "stakes," so to speak, have always been high. It is a great dream to transform the dream of separation into the dream of perfect remembrance. You are not small. And you are not alone.

Many of you are beginning to be more deeply aware that you, too, hear me. Let that process continue and deepen. Become an equal conduit which extends the Atonement, through the Christ Mind, through that which is called Shanti Christo, through you.

I hope in this simple sharing to this point that your mind has been a little shaken, and you have been brought to a deeper stillness, that your mind has been brought back to the reality of what attracted you to this vibration in the first place. For in that moment your heart was thrown open through the portal of initiation. Your soul is what has attracted you back to me, for your soul has always known the Truth, and it has simply answered the call.

I will never leave you, and will never take my hand from this work until all is, indeed, completed. You will, indeed, be hearing from me in the future – many times. Although the vehicle through which that comes might be surprising at times.

I, indeed, love you always. And I participate with all minds called to awaken. I am but your brother and your friend, ever dedicated to revealing that which my Father would reveal to you through me – in just the right way, at just the right time.

You are as I am. And together we transfigure humanity. In this way, then, I was a prototype for what is to come, an expression in space of time of what all are destined to be. And yet, that destiny is but the remembrance of what they have always been, beyond the veil of illusions.

Peace is with you always. Peace is with you always. Hear the call. Accept the invitation. And let us continue in the greatest story ever told! Amen.
