

Mary Lucero
Board Member

I have been a part of Shanti Christo's "The Way of Mastery" for over a decade.

Jeshua has been a vital and intricate part of my life since I was a child. I was brought up in the Catholic Church having a deep love and reverence for God and hungered to know Jesus and His teachings with all my heart. Through my teens and adulthood I moved on to inter-denominational and Assembly of God Churches that introduced me to further studies and teaching of the Scriptures which deepened my love and commitment to God.

I was fortunate to discover and become a member of a blossoming Unity Church in Sacramento, Ca. which embraced the principle of "One God, many Paths" which I knew in my heart was true. I finally could see the beauty of diversity and the many flavors of all mankind's individual relationship with God without judgement.

I have had an extensive and exciting journey in my "Awakening" process which included a love of Philosophy and Cultural Anthropology in College both balancing my narrowed view of Spiritually. I served as a Law Enforcement Chaplain, Prayer Chaplain and a facilitator of *The Way of Mastery* and *A Course in Miracles*.

It has been a privilege to serve Jeshua as one of the caretakers on the Board of "The Shanti Christo Foundation" and join with everyone in extending His message to all the world.

In loving service and Guidance,
Mary Lucero
