

A Message From The Shanti Christo Foundation

Each Time You
Choose Love
the Whole of
Creation Has
Been Uplifted!

I hope this message finds you well as we settle into the new year. As we begin this year, let us commit to letting the past fall away and allowing Truth to lead us. By stepping back in faith, we permit the Divine to guide our path, even when the destination is not yet clear. There is no holier way to direct our love and intent for the year ahead than to walk toward the Divine in love and peace.

In "The Way of Mastery", we recognize four essential keys to awakening. Desire, which is the starting point for all creation. It is the driving force that motivates individuals to seek and manifest their true purpose. Intention, involves focusing your desire with clarity and purpose. Allowance, lets go and trusts the process. It means being open to receiving what life brings without resistance or judgement. Allowance stands as a vital practice of "undoing". It requires us to disconnect the mental wiring that insists on the rightness of our own interpretations, perceptions and unraveling the world of beliefs we have constructed. A mind that is free can allow all things by practicing true forgiveness and releasing the world from expectations while we embrace all things in trust. Surrender is the final key, representing a state of peace and acceptance. It involves relinquishing control and trusting in a higher power to guide your journey.

Many would be most surprised to discover that in running about seeking your Father's Will for you, that it has been around you the whole time. For all that you will release, you will find continuing within your life but it will have been transformed and you will see it with new eyes.

What you have known and thought and seen with your physical eyes can be likened unto the breadth of a single hair thrust into the vastness of space. But in Truth what you know encompasses the whole of space, which by the way, is quite infinite. Therefore, behold that there are no boundaries to what you know. Each time you choose love, the whole of creation has been uplifted to the open arms of God.

Grace is the Truth that will completely reverse the ideas that you have had in the mind and bring correction completely unto you. It cannot be earned. You cannot strive for it. You can only be willing to allow it. There is, indeed, no power created from the illusion of separation that can begin for even an instant to take that power from you. There is no one that you have ever known that has had the power to cause the petals of your Heart to contract and to wither. For it is, indeed, in the very choice for Love that healing is restored. I would not say these things unto you if I

did not know that they were true. I learned that these things are, indeed, True. As a man I walked upon your Earth and chose to take my Father at His word: "I am His beloved Son, and in Him do I dwell"
