A Message From The Shanti Christo Foundation ..

Freedom!

And again, greetings unto you, beloved and Holy friends. We come forth in this lesson to yet again remind you that all that you think, all that you see and all that you do is not the result of that which comes to you, but rather, that which comes from you. For always and forever, the world you perceive is uncaused, save by yourself.

This is why it is always true that freedom *is* closer to you than your own breath. That freedom *is* the reality of your being. That freedom *is* that which is realized without effort. Freedom is realized when you decide to accept the Truth that is true always:

I and my Father are One.
I Am That which I Am.

You are Consciousness. You are Awareness. You are that which witnesses, that which experiences, that which pays homage to the one thing that God has created: Christ. Christ, then, means "the anointed." You have been anointed since before the beginning of all worlds with that which the Father Is: Awareness, pure Intelligence. You have been anointed with the ability to choose what you would wish to perceive. And thereby, imbued with the power to *create*, you abide freely in each moment.

This freedom is completely unobstructed and unchangeable, forever. It is in your freedom that you think what you think, you see what you see, you feel what you feel even in your third dimensional reality. At any moment, you are perfectly free to see the radiant beauty of the Real World pervading all things, even your own consciousness, just as you are also free to see fear.

For the ultimate state of consciousness is not an aversion of this world, but the embracing of this world. There is no greater sense of freedom than to be able to

abide where you are as one *who is free!*

Be you, therefore, at peace this day, beloved friends. Be you, therefore, at peace always. Amen

~Jeshua
