## I Ask You Only To Let Me Walk With You!

Beloved friends, what is, in Truth, the whole heart and essence of healing? To share with one another from a point of equality, of seeing no one as above you and no one as below you, and seeing not yourself as more perfect than another. But to see that you *are* one another, and to realize that it is in the sharing of your journey, the willingness to listen and to Love, that brings healing to the Heart and to the soul. And forever the soul, which is the Son of God, is One. Though there be many bodies and personalities attached, you are of One Mind and One Heart. And when you choose to join together, you have chosen the creation of Holy Relationship, and even in these few moments you have extended the Holy Instant unto one another. (JT - H)

Therefore, always remember that there is but one thing taking place: the awakening of the Holy Son of God – or Daughter, if you prefer. It makes little difference; it's all words. But you are that One, and the language that I use is used only as a point of identification so that you can recognize me.

.....

### It Is Only Love That Heals

Beloved and Holy Son of God, great is my Love for you, for indeed you are already all that I am. Therefore, the one known as Jeshua, that which I am that came and walked among you, could be no other but yourself. The entire drama is yours and there is nothing outside of you. Every pain felt by a brother or sister is an opportunity – through your extension of Love – to heal them of that pain.

To judge another's pain or another's thought or another's behavior is to ensure that it will continue within you. Perhaps in a different form but it will continue. Therefore, indeed, *it is only Love that heals*. It is Love that I am and it is Love that you are. Everything else is the result of an illusion and a mistaken perception.

That is why a master greets anger with Love. That is why a master greets attack with Love. For when you believe you are attacked and therefore become defensive, you have asserted with the power of Christ that attack is real, and you have made sure that you will continue to experience attack.

Meet all things with Love. Greet all things with Love. Indeed, I am the Holy Son of God given to the world of my Father because He Loves you. Where have I come from? The Heart of God. Where have you come from? The Heart of God. We are One and the same. You are Spirit and you are One. The only Reality that in Truth can be is that the Holy Son of God is One, united always with all that God is. And salvation is complete on Earth as it is in Heaven when the Sonship awakens to the Truth of Its Reality.

That is why I have asked you to join with me to extend the Kingdom to your brother and to your sister. And when you see them in error or in pain, embrace them. Offer them through Holy Relationship opportunity for the Holy Instant that heals all things. You are the ones; you are the bringers of Light into this world. *I ask you only to let me walk with you.* And what does that mean but to recognize that the Heart and Essence of your being is Jeshua. Is Christ. Is the offspring of Light divine by whatever name you choose to call it. God is Love and therefore I Love you.

.....

### **Never Deviate From Listening to the Voice of Spirit!**

You are the Grace of God in form. That is who you are. Embrace your brother and your sister. Embrace them with *all* of your being, not just your mind, not just your Heart. I am going to ask each and every one of you this week in each of your days to call someone you haven't spoken with lately and tell them how much you appreciate their being, because their being in your life has been serving your awakening. Let them know from the bottom of your Heart how much you Love them for that. Encourage them to be the Truth of who they are and to *never deviate from listening to the Voice of Spirit* that speaks not in the mind of the ego, but in the quietness and the gentleness of the Heart. Encourage them to follow the path that they *feel* they must follow, because there is a reason for it. And the reason serves the Atonement of the Sonship.

Indeed, you could look through the eyes of the Christ – and, of course, you can because that's who you are – and you would never again lament anything that unfolds in your experience or your drama because you would see the exquisite perfection that those moments are serving. Nothing happens by accident and not one of you holds an experience in *isolation* from the whole of the Sonship. Everything you taste and feel and think and experience is felt and touches the entire community of Christ the Sonship. Everything.

Love every moment that comes to you. Embrace it and honor it. If it means that you cry a thousand tears, then let your tears be a way in which you honor that moment. And if your brother or sister is in pain, embrace them. Don't tell them, "Why are you doing this? You are creating your own reality." That is nonsense and it is not appropriate. For well have I seen that idea being misused in your metaphysical circles. When your brother and sister is in pain, embrace them and *allow* it to be felt by them. When they are ready to think about it, you will know. Let them feel it. It is called empathy, not judgment.

To empathize does not mean to join in suffering, for that is what you must *refuse* to understand. That is the ego's interpretation of empathy, and is always used to form a special relationship in which the suffering is shared. The capacity to empathize is very useful to the Holy Spirit, provided you let Him use it in His way. His way is very different. He does not understand suffering, and would have you teach it is not understandable. When He relates through you, He does not relate through your ego to another ego. He does not join in pain, understanding that healing pain is not accomplished by delusional attempts to enter into it, and lighten it by sharing the delusion. (T 330) [T-16.1.1.]

Your part is only to remember this; you do not want anything you value to come of a relationship. You choose neither to hurt it nor to heal it in your own way. You do not know what healing is. All you have learned of empathy is from the past. And there is nothing from the past that you would share, for there is nothing from the past that you would keep. Do not use empathy to make the past real, and so perpetuate it. Step gently aside, and let healing be done for you. Keep but one thought in mind and do not lose sight of it, however tempted you may be to judge any situation, and to determine your response *by* judging it. Focus your mind only on this:

*"I am not alone, and I would not intrude  
the past upon my Guest.  
I have invited Him, and He is here.  
I need do nothing except not to interfere." (T 331) [T-16.L3.]*

True empathy is of Him Who knows what it is. You will learn His interpretation of it if you let Him use your capacity for strength, and not for weakness. He will not desert you, but be sure that you desert not Him. Humility is strength in this sense only; that to recognize and accept the fact that you do not know is to recognize and accept the fact that He *does* know. You are not sure that He will do His part, because you have never yet done yours completely. You cannot know how to respond to what you do not understand. Be tempted not in this, and yield not to the ego's triumphant use of empathy for its glory.

### **Miracles Happen Naturally and Effortlessly to Minds and Hearts That Choose *Only* Love!**

Ah, beloved and Holy child of God, you are One with me. You are One with me. Embrace me. Claim me as the reality of your own being. Claim me. Will I disappear from you? No. I am your brother and I am your friend and I am all that you are, and I choose to be what you are in the fullness that you have yet, for a little while, chosen to resist, and I will never cease in coming to you because I Love you, until finally you decide it's time. Then all healing will occur, and you will be brought rapidly through miracle after miracle after miracle to swiftly be all that I represent to mankind.

You shall be the worker of miracles. And that is given unto you even now. And in this hour you can extend miracles one unto another, because at this hour you can choose to set aside the perceptions taught you of your world that you are wholly insane, and you can choose to allow Love to heal. And if not a word is spoken and you would sit there quietly, understand that you participate actively in the healing of every mind and every Heart. That is how powerful you are and how precious your presence is. You can be alone or with your best friend and still be involved in the healing of every mind and Heart.

And therefore, when another is speaking, let not the mind wander, but just sit there and embrace them with Love. *Miracles happen naturally and effortlessly to Minds and Hearts that choose only Love.* Love and judgment can never abide in the same moment. Love is of the Kingdom; judgment is of hell. What will your choice be? You are the Light of the world. You are the Light of *this* world, and it needs it so desperately.

Be Love. Teach Love and, therefore, you will learn that you *are* Love. Don't just expect miracles. Know that *you* are the *one* that is sent to *allow* miracles to be given through you. It just happens when you choose to Love.

Miracles are healing because they supply a lack; they are performed by those who temporarily have more for those who temporarily have less. . . . Like all expressions of love, which are always miraculous in the true sense, the exchange reverses the physical laws. They bring more love both to the giver *and* the receiver. (T 3) [T-1.1.8.]

### **Grace That Is Lived Will Reveal to You Your True Reality!**

Each and every one has a role to play, a part that has been assigned. It has been with you since the moment your soul was birthed, and the hour and the day comes when each must turn within and finally *allow* that part to flower and be played through them. And in whatever way that you come to it, you will understand the words that I spoke, seemingly so long ago, when I was confronted with the finality of my drama, the finality of my own teaching...what some would call the Crucifixion. I've never desired to emphasize that part of it. That was just stepping-stones to the Resurrection. And those words are simply this: Nevertheless, not my will, not the will of the separate fearful ego, but Thine be done...the Will of the One Mind that is but Love. And when Love guides the way, miracles sprout before you. And not one obstacle is left in front of you. It dissolves before you reach it. (CD - D&EC)

Simply ask of Holy Spirit to bring that correction to the mind, so that it becomes more firmly established. And in this way, almost unbeknownst to you, miracles come to replace the struggle and the strife of life. You become very, very humble because you realize none of your perceptions have ever been true or accurate...except the ones inspired by the gentleness of Love that is totally inclusive of all of life...and embraces unconditionally everyone and everything. (CD - GR1)

In that moment...and you've all experienced at least a few of those moments...peace comes. Peace. A peace that passes our understanding and could never hope to be explained in the languages of this world. And that peace bespeaks a way of living that is available to everyone at all times...a way of living that requires no planning in the way the world would think of this. No striving, no doubt, no anxiety. A way of living that flows gently, in which you smile a little bit more often, in which you talk a little bit less. A way of living that is marked by Grace.

*And Grace that is lived will reveal to you your True Reality.* Grace, when fully lived, reveals to you that you are the only begotten of God, Christ Eternal, unbounded forever. And that you participate in that Mind and that energy and that Love...call it what you will. With me and with every mind, every brother and sister who has ever chosen to set aside the world, and to *allow* the Kingdom to be lived from within.

.....

### **Grace Is Available to Every Mind and Every Heart!**

Grace...the word itself is so powerful. It speaks of something that comes that is wholly given and can never hopefully be earned. No dance you could ever dance could ever earn you a smidgen more of Grace. And Grace descends gently upon you even now. Fully, in every moment, *Grace is available to every mind and every Heart* that would but *choose* to receive it, to *remember* the Truth of the Kingdom, to set aside the beliefs of the world. "Love is the nature of my being. Father, I receive it. Do with me what You will. I have never known what to do with me, anyway." Grace. Grace brings a gentleness to all of your activities. Grace brings a peace. Grace brings that Light that can flow through you in this moment, if you would but *allow* it. Grace, given fully by God unto His only creation...you.

Grace is not given to a body, but to a mind. And the mind that receives it looks instantly beyond the body, and sees the holy place where it was healed. There is the altar where the Grace was given, in which it stands. Do you, then, offer Grace and blessing to your brother, for you stand at the same altar where Grace was laid for both of you. And be you healed by Grace together, that you may heal through faith. (T 401) [T-19.I.13.]

Love, too, would set a feast before you, on a table covered with a spotless cloth, set in a quiet garden where no sound but singing and a softly joyous whispering is ever heard. This is a feast that honors your Holy Relationship, and at which everyone is welcomed as an honored guest. And in a Holy Instant Grace is said by everyone together, as they join in gentleness before the table of communion. And I will join you there, as long ago I promised and promise still. For in your new relationship am I made welcome. And where I am made welcome, there I am. I am made welcome in the state of Grace, which means you have at last forgiven me. (T 411) [T-19.IV.A.16.]

You are the One in whom the Father remains well pleased. You *are* the One. You are the One who has come forth into this time frame, just as I came forth into a different one, for only one purpose: to demonstrate the Truth that the world is not real and holds no power over God's Creation. That the world it would try to get you to judge, try to get you to hold onto ideas and beliefs about what is and what should be and what shouldn't be and what ought never have been...all of that stuff. The world will try to get you to believe that judgment is justified, that forgiveness must be given cautiously...hmm, it is not forgiveness when it's given cautiously. Grace is the Truth that will completely reverse the ideas that you have had in the mind, and bring correction completely unto you. It cannot be earned. You cannot strive for it. You can only be willing to allow it...to *allow* it.

Therefore, indeed, beloved friends, forgive you well *yourself* and you have forgiven *Christ*. And when Christ is forgiven, Christ will arise and make His home in your Heart, and in your mind, and even in the cells of your body. And you will know what it means to walk in this world, yet not being of the world. And when you look in the mirror, you will say:

Behold, the Savior appears. {WMe 42} (WM 39)

.....

### **Seeing From, and Seeing Only, The Mind of Christ!**

Indeed, beloved friends, I come forth to meet you wherever you are, because I have chosen to use the infinite power of consciousness, given me of the Father – as equally as it is given unto you – to discover how deep delight can be when the mind is focused only on *seeing from, and seeing only, the Mind of Christ*. I have, therefore, called to myself all multitude of experiences – even when I walked upon your beloved Earth as a man – in order to challenge myself, in order to test myself, in order to condition myself, to rise above and to transcend all possible experiences that could distract me from the remembrance of who I am. {WMe 4} (WM 4)

Therefore, beloved friends, I come not for myself, but for you. I come not to teach you, but to Love you, until you choose, from the depth within your own being, to set aside every illusion you have ever given credence to, and to remember the Truth which alone is True. {WMe 2} (WM 2)

For indeed, in that hour, there is a transcendence of all that knows limitation. There is a transcendence of all that knows coming and going, birth and death. There is but the Mind of Christ within which each of us – as a spark of Divine Light, as a sunbeam to the sun – rests eternally in Perfect Communion and Communication, always.

Now of course, the great secret is that, that is the state of your Reality. That in each and every moment, you abide in Perfect Communion with the whole of Creation, since all things are but temporary modifications of the one fundamental energy which I have chosen to call the Christ Mind, the offspring of the Father.

And so, beloved friends, I come to where you choose to be. And if you would choose to open that place within the Heart and within the Mind, in which you can communicate with me directly, I will meet you there as well.

But I have no voice unless you give it to me. And what can give such authority, if not the Mind of God? For it takes One to know One. You have heard me say that many, many times. It can only be the Christ Mind in you that could perceive the Christ Mind in Jeshua ben Joseph. And the Christ Mind is the extension of God's Perfect Being into, and as, Creation. {WMe 407} (WM 384)
