

## A Message from the Shanti Christo Foundation ..

*You Are Free  
to Choose  
Again With  
Love!*

**From Study Group Paper: You Are Free to Choose Again With Love!**

You are free. You are free now. You are free to live even this life that you seem to be having on your planet in such a state of knowledge. And that is what knowledge is. It has nothing to do with belief. It has nothing to do with hope. It has nothing to do with theology. It has nothing to do with spirituality. Those are words. Those are ideas. The grandest of ideas do but one thing: they point to that knowledge that transcends all ideas. The grandest of words that mankind has ever come up with – that can somehow signify that mystery, that truth, that knowledge – is Love. God is a four-letter word.

Love. The simplicity of making a decision to want Love, and learning that there is nowhere you can go to seek it. There is absolutely nothing you can do to bring Love to you. Nothing. No amount of accomplishment restores the Son to the Father. No amount of manipulation or seduction with the body brings Love to you. In truth, the body can never be used to get. It fails miserably. It can be used to give. And as you give, you do receive. As you give perfect Love, the remembrance of the perfect Love that you are is restored in your soul. Give you, therefore, without measure, without ceasing, and you will receive ceaselessly that which you truly desire.

Look, therefore, not outside of yourself, for the journey to the Kingdom takes you eternally within, ever deeper and ever deeper. Hold nothing back. Hold not one illusion back from the greatness of the Love that dwells within you as the heart and soul of your True Self. For God, who is but Love, is the essence of yourself. If you think for one moment that there's anything too grand in your experience for that One not to heal, please choose again.

~Jeshua

### In Memoriam

Our beloved president of Shanti Christo Foundation, Karl Gary Kamper, passed away on May 30, 2025. Karl left behind a 17 year legacy of dedication to the Foundation and it's mission to share the message of Jeshua ben Joseph to all who are open to receiving it. Because of his commitment and determination, Karl was able to guide the Foundation in carrying out it's mission with pure and focused intention. All who knew Karl were touched by his presence and we are mourning his loss, but know that he will continue his work now from the other side. We are eternally grateful for his selfless service and will keep him in our hearts until we meet again.
