**A Smidgen Of Willingness
Is All It Takes!**

From Study Group Paper: A Smidgen Of Willingness Is All It Takes! - with ACIM

What if every moment of your experience was literally being brought to you of the Father, Who alone knows the perfect plan for the healing of your mind? (Q&A)

The *Way of the Heart*, requires only the continued little willingness to surrender any and all limited perceptions of what Life is, and what awakening is, and what Love is, and what healing is, so that the Holy Spirit can guide you into the Truth of all things.

When, from the depth of your being, you have fully committed to awakening from every last trace of separation from God, when you are truly committed to not seeking for Love, but you are willing to seek for all of the obstacles that have been created within you that block the awareness of Love's presence, then, indeed, what you find yourself attracted to, what you find yourself deciding for, in terms of the experiences that you would call to yourself, these things are the answer to your prayer. My *Course in Miracles* came to your life as the result of your own longing to deepen your relationship with God!

I say unto you: If you will choose to trust me, I will show you the way to peace. I will wait for your reply as I can do nothing to take from you the freedom required to become wholly committed to allowing Christ to be birthed where once a useless illusion reigned. I will show you how to become the being out of which all of creation is arising so that you will know the Truth that sets you free.
