**Let Us Stir The Light Of
The Father Within Us!**

From Study Group Paper: Let Us Stir The Light Of The Father Within Us!

Join with me and let us stir the Light of the Father within us, without need to make excuse and without need to bow down to the mere shadows of the world around you. Be who you are. Teach who you are. See all others as who they are.

Now is the time upon your earth when Hearts have longed to be filled with your Light that they might know themselves to be that Light. It is for this that I have called unto you and it is this Truth already carried within your Hearts that has given forth the Power unto you to hear my call. Doubt not what you feel, for you know the words that I speak unto you echo the Truth you already contain within you.

For the time is upon your earth, that even the Father has willed that in this time, there can be Heaven on earth. That even the Kingdom of the Father that shall be spread across the face of the earth, mankind will finally see it. You hold the power to end all suffering. You can end all hunger and all lack. You can end the need for authorities born of the complexities within the minds of mankind – yet sleeping – and establish again the reign of the Father living in and as each Heart.
