**You Are The Bringers Of
Light Into This World!**

From Study Group Paper: You Are The Bringers Of Light Into This World!

Ah, Beloved and Holy Child of God, you are One with me. You are One with me. Embrace me. Claim me as the Reality of your own Being. Claim me. Will I disappear from you? No. I am your brother and I am your friend and I am all that you are. I choose to be what you are in the fullness that you have yet, for a little while, chosen to resist. And I will never cease in coming to you because I love you, until finally you decide it's time. Then all healing will occur, and you will be brought rapidly through miracle after miracle after miracle to swiftly be all that I represent to mankind.

You shall be the worker of miracles. And that is given unto you even now. And as I stand in the midst of you, you extended miracles one unto another, because you have chosen to set aside the perceptions taught you of your world that are wholly insane, and you choose to allow Love to heal. And even if you would sit quietly, understand that you participate actively in the healing of every mind and every Heart that chooses to come. That is how powerful you are and how precious your presence is. You can be alone or with your best friend and still be involved in the healing of every mind and Heart.

Love and judgment can never abide in the same moment. What will your choice be? You are the Light of the world. You are the Light of this world, and it needs it so desperately.

We shall Love every brother and sister that the Holy Spirit brings to us, and though you may not see the form of the work you will be doing, it will be revealed to you. And I will join with you as your friend and your brother, and together as One we shall embrace the whole of creation and offer it on the platter of the awakened Heart of Christ back to the Father. What else is there to do?

Peace be unto you.

~ Jeshua
