**From Study Group Paper: Within Your Soul You Have Chosen This Time
and This Incarnation In Which To Awaken!**

You are the awakened and the only begotten son of the Father. In Truth, begotten before all worlds, the maker of all worlds, the experience of all deeds and in these days the one through whom the Kingdom shall be remembered. Further darkness can deny Light; it cannot defeat it. And now is the time upon this your blessed earth to remove the shutters from the windows of your Heart and to live the truth of who you are, fearing not the perceptions of others. For where you go, I Am. And where I Am, the Father is.

Can you and will you choose in each and every moment to acknowledge the Truth that lies within your Heart? For the words that I would speak are not mine but yours. They live already within you. And no words that the world could shout to you can blind the radiance in which you abide. Your only task, and indeed that for which you have chosen to come forth into these times, is to acknowledge wholly before every breath that you are the only begotten son of God.

And as you choose to do this, you will indeed look out upon a world transfigured and you will behold naught but the radiant splendor of the son that dwells in the Heart of all.

If you could but stand with outstretched arms, palms facing heavenward, and acknowledge that you are the only begotten Son of God, there is not one thing that would not be granted you. For the Father longs to give the Son the whole of His Kingdom. It is only in your choice to deny it that you can ever experience lack.

Release the last vestige of doubt, relax the shadows that have bound the Heart and abide in that Perfect Peace that passes all understanding. Know that where the eyes of any two of you in Truth join together in this most Holy of Instants you have come finally and completely to where I am, and that you behold in the eyes of your brother and sister naught but the presence of Christ.
