**The Holy Spirit Will Guide
Your Words, Your Gestures,
Your Choices and Decisions!**

From Study Group Paper: The Holy Spirit Will Guide Your Words, Your Gestures, Your Choices and Decisions! (with ACIM)

In Truth, there can *only* be what is true. Remember, then, always, that regardless of what the eyes of the body show you, you remain as you are created to be – created, indeed, in the image of all that God is – and God is but Love. Created in the image of all that the Divine is, and the Divine is that which extends Itsself infinitely and eternally, from Its desire to reveal Love.

In each and every moment, then, when you *choose* to surrender the self and allow Love to be present, you have elected to live in the Kingdom. And you are the one who receives the Joy, the enjoyment, of witnessing Love's effects. Where do you experience the effects of Love, if not first in your own being?

As Love flows from Spirit through the soul, through the basics or the matrix of the personas, the personalities, as it moves through the emotional field and out through the body and into the world, you must be the first that receives It. And this is what brings us to the heart and soul of what we would seek to share with you.

The message, then, that we would seek to share with you is a message that can transform your life. Even if it's flowing beautifully, it can flow *more* deeply. For there can be no limit or bottom to the depth of God. Paradoxically, then, because you are the Created, and not the Creator, you – just like I once had the opportunity when I walked your planet as a man – you have the opportunity to translate how you see time and what you perceive its value is. You will utilize it to deepen your direct remembrance of the *Presence of God*: by *cultivating* the choice for Love, the remembrance of Love, the dedication to Love, the surrender to Love and by learning to seek first the Kingdom and allowing each of your tasks to flow from that choice.

It is in just such moments that the fullness of the spiritual journey is completed, for that journey is only completed in the act of remembrance of what you have always been, that which alone you must *always* be.

~ Jeshua
