**The Holy Relationship – An  
Expression Of The Holy  
Instant In Living In This World!**

**From Study Group Paper: The Holy Relationship – An Expression Of The Holy Instant In Living In This World! with ACIM**

Remember, always, that a brother or a sister is not someone who is above you, but who is your equal. Remember, always, that a friend is one who has chosen *deliberately* to see in you the perfection of Christ and all greatness that can be birthed through you until you are willing to see yourself in such a Light. And then, that friend joins with you in Holy Relationship to create, to play, to extend the Truth of Reality.

That is why I have asked you to join with me to extend the Kingdom to your brother and to your sister. And when you see them in error or in pain, embrace them. Offer them through *Holy Relationship* opportunity for the *Holy Instant* that heals all things. *You are the ones; you are the bringers of Light into this world.*

That work has never ceased. And, indeed, let it be known that the work that is done through this, called the Shanti Christo, is an extension of, and a collaboration with the entirety of that lineage, that strand of Light, extending from the Mind of God into the forms of time with one purpose – to *awaken* every aspect of the Sonship.

What can the Sonship be but the extension of God into form, into that which appears as an individual – that which can create, that which can enter into *Holy Relationship*, that which can remember the fullness of Abba, while being the particular individual in the field of space and time.

~ Jeshua
