### The Light Of A New Dawn Breaks Across The Horizon!

**From Study Group Paper: The Light Of A New Dawn Breaks Across The Horizon!**

Beloved children of God, great is my Love for you who have suffered so long. For you have sought me and you have prayed to me. And now if you would but receive it, you have found me. And you have found me abiding in and as your own Being.

*I call you then to abide with me, in me and as me.* For in Truth there is nothing else to be done save the listening to the Voice of the Spirit that would guide us into the fulfillment of our Father's Will. And is it not in these times to be simply the servant to our brothers and sisters yet sleeping, that the Kingdom might again be made known, and that mankind might again take its place within the Garden he believes he left so long ago?

Be, therefore, the Light you are. Rejoice in yourself and in one another. And again I would ask you to come together often. And where two or three are gathered, I am there among you. Come together in the complete recognition that the Messiah has indeed come. For I cannot be recognized by the eyes of the body until I am embraced by the Arms of the Heart.

I say unto you, that which is eternal has neither beginning nor end and, therefore, can never cease to be. But when each of you chooses to join with one another and to see with the same eyes and to feel with the same Heart, *then will there be unleashed a power not seen upon this plane.*

~ Jeshua
