### The Holy Instant and The Manifestation Of Holy Relationships!

**From Study Group Paper: The Holy Instant and The Manifestation Of Holy Relationships! - with ACIM**

The only Reality that in Truth can be is that the Holy Son of God is One, united always with all that God is. Salvation is complete on Earth as it is in Heaven when the Sonship Awakens to the Truth of its Reality.

I ask you only to let me walk with you. And what does that mean but to recognize that the Heart and essence of your being is Jeshua, is Christ. It is the offspring of Light Divine by whatever name you choose to call it. God is Love and therefore I love you.

That is why I have asked you to join with me to extend the Kingdom to your brother and to your sister. And when you see them in error or in pain, embrace them. Offer them through Holy Relationship opportunity for the Holy Instant that heals all things. You are the ones; you are the bringers of Light into this world.

I stand within the Holy Instant, as clear as you would have me. And the extent to which you learn to accept me is the measure of the time in which the Holy Instant will be yours. I call to you to make the Holy Instant yours at once, for the release from littleness in the mind of the host of God depends on willingness, and not on time.

Know that I love you always and I come always as your servant. I can't be anything else. I simply cannot be anything else and I don't want to be. I love you and I will love you until the whole of the Sonship has its "Ah ha."

And those that choose to join with me and understand that because I am your friend and your brother, in whatever way you choose to serve, all you have to do is ask and I will come running. When you open the door, I will join with you and together we will assist our brothers and sisters in their own process of Awakening. I am available to any of you all of the time.

Beloved and Holy Son of God, I love you and I bow down before you and I join with you as you with me: one Mind, one Heart, one Child of incomprehensible Light. Be, then, at peace and teach the Peace that you are with every breath, with every gesture and with every thought. Make of every moment a Holy Instant so that you can enjoy what your Father has extended unto you and see in every moment what has been nothing but a mask of your very Father's Presence.

~ Jeshua
