**You Are - and Listen  
Carefully - You Are Already  
An Ascended Master!**

**From Study Group Paper: You Are - and Listen Carefully - You Are Already An Ascended Master!**

I ask you indeed to trust the eye of the needle that is before you now. And if you are willing to step or to dive, to trust each day as it unfolds by remembering only to return to Love and to be at peace. I can indeed assure you that something quite beautiful will begin to blossom on just the other side of the eye of that needle. The Holy Spirit requires enlightened and, therefore, empowered minds to join with Him, in the translation of the whole of this world into a happy dream.

Indeed if you would honor me, honor first the Son that dwells in your Heart as fully as it dwells within mine. Be you therefore glad, for the end of the journey is at hand. We have come to the threshold of the Kingdom, and the final step is not one that we take but one that is taken for us by the One Who has sent us forth.

My blessings I would bestow upon you. My Peace I would extend unto you. I would give it unto you. Wrap yourself up with it anytime you want. Remember, I am with you always. And yet the blessings that I would bestow are not mine to give. They are yours. And I can give them to you only if you receive them. The Peace I would wrap you with is the Peace of your Self: that Great Ray of Light forever shining that knows no beginning and indeed will know no end.

And in the end of all journeying an ancient journey ends and a new one begins. No longer the journey to the Kingdom but the journey within it, in which we walk hand in hand, gathering our brothers and sisters as we go with great Joy.

And with great celebration merely by extending the Ray of Light that we are until the whole of creation is enfolded in our Love. And we return it to the One Whom we Love above all created things – that which has been called my Holy Father. And God is but Love. Think you therefore with the Mind of God and extend only loving thoughts, because what you teach is indeed what you learn.

Thank you for your courage. We know what you are going through internally. Time for some shifting, time for some healing, time for some growth. Time for awakening!

~ Jeshua
