**Your Relationship to Your
Brother and Sister Is the Most
Incredible Blessing!**

From Study Group Paper: Your Relationship to Your Brother and Sister Is the Most Incredible Blessing with ACIM!

Unto you it is given in this day and in this hour to truly look around you and to see, "All that I need for my salvation, all that I need for my awakening is presented to me here. For here is my brother and my sister who has walked together with me since before time is, given to me of God. And as I love them, I love the One who has sent me forth. And as I love them, I honor them. And as I honor them, I learn to honor the Son that dwells within my own Heart." And in honoring that Son, the Atonement is completed on Earth as it is already completed in Heaven. And Heaven is your Home.

That is why there is no time to lose. Each moment is the opportunity for awakening. Each moment the opportunity for healing, that the things of time that have seemed to be a burden upon you and upon your brother can be placed aside. And the mantle of peace like a gentle dove can descend upon you, wrapping you in the shawl of a perfect Love, bringing such joy to your being that you cannot find words to describe it and no way to contain it. And you finally realize, "I don't have any choice. I have to give it away. My Father keeps pouring so much of it into me, it just keeps picking up the speed. I just have to keep giving it away." And then the miracle has occurred.

And indeed you will know the great liberation that comes when suddenly the shutters are thrown open and you realize, "My God, it's true. I am that Light I have been seeking for countless lifetimes. I am that Light, *now*."

Delight – and listen well – delight in the blessings of time and see not a single moment as that which would imprison you. For there is nothing outside of you, while within you is the absolute freedom of choice, given wholly and never earned, in which you can look upon the things of time, each event that time seems to require of you, and you can bring the blessing of Christ to it. You can choose to radiate instead of contract. You can choose unlimitedness instead of limitation. You can choose Love instead of fear. That is the great gift of time.
