

## Message From Shanti Christo Foundation

**What You Are Transcends All  
Space and All Time, and All  
Lives!**

**From Study Group Paper: What You Are Transcends All Space and All Time, and All Lives!**

Awakening is a simple affair. Being awake is a simple affair. First understand that you are awake now. You are awake now and there is no one but Christ. Yes, there seems to be the appearance of many bodies, but underneath them and just behind them there lies a Love, a Love that is available to you whenever you choose, a Love that throws open the shutters of the heart so wide that you feel your arms could embrace the whole of creation, and you smile no matter who you think about or look upon. You cannot help but smile because you have chosen to be awakened from the dream of the dreamer himself.

Can you imagine what it would be like to live one day in which each step you take, you feel it? And each thought you think, you witness it and you are with it? No more idle thoughts just running about in the mind – you direct them wholly from that place in you that is Love. What would it be like to begin from this moment and to allow yourself to recognize that no matter what the circumstances seem to be around you, you hold the power to be the presence of the peace of God? What would it be like to live one day, just one day, in which everyone you thought of, everyone you looked upon, you embrace totally with the Love of Christ.

That is the responsibility you have. It's not a burden. It can be done very lightly since you are the presence of Light itself. Does all of that begin to make sense to you? Are you ready? Good, then right now just be and bring a lot of Light to this world and choose to acknowledge only Christ. ~Jeshua
