

A Message From The Shanti Christo Foundation ..

*Rejoice With
One Another In
The Miracle You
Already Are!*

Know well and always that I Love you. For how can I do anything else but Love myself? Learn to embrace one another, not as a stranger, not as an acquaintance, not yet as a brother or sister, but learn to embrace the Holy Son of God in all that you see, in all that you feel. I would have you understand this well: There is not one blade of grass in which the Son does not abide and you are that Son. So, what is there to do my beloved friends but to abide and rejoice with one another in the miracle you already are? Let this Easter be unlike any that you have ever experienced. Grasp the courage within your own hearts to do what I have suggested unto you. Embrace it fully, do it fully, live it fully and feel the joy fully, of acknowledging that you are the Risen Christ.

Now does the Presence of the Father sweep away all past things. Now does His perfect Countenance cast upon your hearts that perfect Peace. Now does the light of wisdom light up all dark places, and now does the Holy Son of God return to the Throne room of the Father and take up his place at the Father's Right Hand to do naught but that which the Father would have him do. Now and forevermore it is so.

In this moment give thanks to the Father, for it is He alone that has traveled with you throughout your many journeys. It is He alone that has fed you all you needed to create and sustain your illusions. For never would the Father seek to disturb the dream His child would choose to dream. But even as you have dreamed that you are separate from the Father, so too have you begun to dream that perhaps you could come again unto Him. And with the beginning of that dream did you turn about and seek to find your way again to the Kingdom.

Give thanks to Him then, for He alone has nurtured you and sustained you and guided you without error to this moment, to this place and to this Gospel. Would you yet stand outside the threshold of the door upon which you have knocked for so long? And now the door is opened. For the key that would open the door to the Kingdom is found in the recognition that you are the One you seek. In embracing this Truth you cross that final threshold, and the end of the journey is known, and the beginning of a Sacred journey arises.

It is here that you will find me, here that you will know me, here that I await the choice to be made by the Holy and only Begotten Son of God: I choose to acknowledge who I already am, the Anointed One, the Christ, the Son of God.
