You Are The Bringers Of Light Into This World!

Meet all things with Love. Greet all things with Love. See in the eye in even a blade of grass, yourself. Indeed, I am the Holy Son of God given to the world of my Father because He loves you. Where have I come from? The Heart of God. Where have you come from? The Heart of God. We are One and the same. (JT - H)

Beloved and Holy Son of God, great is my Love for you, for indeed you are *already* all that I am. Therefore, the one known as Jeshua, that which I am that came and walked among you, could be no other but yourself.

Therefore, when I come forth and create a demonstration or an appearance of being Jeshua ben Joseph, it is only to animate a physical form because you have believed yourself to be the body, to teach you that you are Spirit and that you are One. The only Reality that in Truth can be is that the Holy Son of God is One, united always with all that God is. And salvation is complete on Earth as it is in Heaven when the Sonship awakens to the Truth of its Reality.

That is why I have asked you to join with me to extend the Kingdom to your brother and to your sister. And when you see them in error or in pain, embrace them. Offer them *through* Holy Relationship opportunity for the Holy Instant that heals all things. You are the Ones; you are the bringers of Light into this world.

I ask you only to let me walk with you. And what does that mean but to recognize that the heart and essence of your Being is Jeshua. Is Christ. Is the offspring of Light Divine by whatever name you choose to call it. God is Love and therefore I love you.

You are the Grace of God in form. That is who you are. Embrace your brother and your sister. Embrace them with all of your Being.

Encourage them to be the Truth of who they are and to never deviate from listening to the Voice of Spirit that speaks not in the mind of the ego, but in the quietness and the gentleness of the Heart. Encourage them to follow the path that they feel they must follow, because there is a reason for it. And the reason serves the Atonement of the Sonship.

Indeed, you could look through the eyes of the Christ (and, of course, you can because that's who you are) you would never again lament anything that unfolds in your experience or your drama because you would see the exquisite perfection that those moments are serving. Nothing happens by accident and not one of you holds an experience in isolation from the whole of the Sonship. Everything you taste and feel and think and experience is felt and touches the entire community of Christ the Sonship. Everything.

.....

You Shall Be The Worker Of Miracles

Ah, Beloved and Holy Child of God, you are One with me. You are One with me. Embrace me. Claim me as the Reality of your own Being. Claim me. Will I disappear from you? No. I am your brother and I am your friend and I am all that you are. I choose to be what you are in the fullness that you have yet, for a little while, chosen to resist. And I will never cease in coming to you because I love you, until finally you decide it's time. Then all healing will occur, and you will be brought rapidly through miracle after miracle after miracle to swiftly be all that I represent to mankind.

You shall be the worker of miracles. And that is given unto you even now. And as I stand in the midst of you, you extended miracles one unto another, because you have chosen to set aside the perceptions taught you of your world that are wholly insane, and you choose to allow Love to heal.

And even if you would sit quietly, understand that you participate actively in the healing of every mind and every Heart that chooses to come. That is how powerful you are and how precious your presence is. You can be alone or with your best friend and still be involved in the healing of every mind and Heart.

.....

Vigilance Was Required Of Me As Much As Of You!

Truth is without illusions and therefore within the Kingdom. Everything outside the Kingdom is illusion. When you threw Truth away you saw yourself as if you were without it. By making another kingdom that you valued, you did not keep *only* the Kingdom of God in your mind, and thus placed part of your mind outside it. What you made has imprisoned your will, and given you a sick mind that must be healed. Your vigilance against this sickness is the way to heal it. Once your mind is healed it radiates health, and thereby teaches healing. This establishes you as a teacher who teaches like me. *Vigilance was required of me as much as of you, and those who choose to teach the same thing must be in agreement about what they believe.* (T 111) [T-6.V.C.9.]

The next step, then, is a statement of what you want to believe, and entails a willingness to relinquish everything else. The Holy Spirit will enable you to take this step, if you follow Him. Your vigilance is the sign that you *want* Him to guide you. Vigilance does require effort, but only until you learn that effort itself is unnecessary. You have exerted great effort to preserve what you made because it was not true. Therefore, you must now turn your effort against it. Only this can cancel out the need for effort, and call upon the Being which you both *have* and *are*. This recognition is wholly without effort since it is already True and needs no protection. It is in the perfect safety of God. Therefore, inclusion is total and Creation is without limit.

Love and judgment can never abide in the same moment. What will your choice be? You are the Light of the world. You are the Light of this world, and it needs it so desperately. (JT - H)

.....

God Created You To Create! You Cannot Extend His Kingdom Until You Know Of Its Wholeness!

The Holy Spirit begins by perceiving you as Perfect. Knowing this Perfection is shared He recognizes it in others, thus strengthening it in others. Instead of anger this arouses love for everyone, because it establishes inclusion. Perceiving equality, the Holy Spirit perceives equal needs. This invites Atonement automatically, because Atonement is the one need in this world that is universal. To perceive yourself this way is the only way in which you can find happiness in the world. That is because it is the acknowledgment that you are not in this world, for the world *is* unhappy. (T 97) [T-6.II.5.]

How else can you find Joy in a joyless place except by realizing that you are not there? You cannot be anywhere God did not put you, and God created you as part of Him. That is both where you are and what you are. It is completely unalterable. It is total inclusion. You cannot change it now or ever. It is forever True. It is not a belief, but a Fact. Anything that God created is as True as He is. Its Truth lies only in its perfect inclusion in Him Who alone is Perfect. To deny this is to deny yourself and Him, since it is impossible to accept one without the other.

God created His Sons by extending His Thought, and retaining the extensions of His Thought in His Mind. All His Thoughts are thus perfectly united within themselves and with each other. The Holy Spirit enables you to perceive this wholeness *now*. *God created you to create. You cannot extend His Kingdom until you know of its wholeness.*

.....

Allow Miracles To Be Given Through You!

The Holy Spirit uses time, but does not believe in it. Coming from God He uses everything for good, but He does not believe in what is not True. Since the Holy Spirit is in your mind, your mind can also believe only what is True. The Holy Spirit can speak only for this, because He speaks for God. He tells you to return your whole mind to God, because it has never left Him. If it has never left Him, you need only perceive it as it is to be returned. The full awareness of the Atonement, then, is the recognition that *the separation never occurred*. The ego cannot prevail against this because it is an explicit statement that the ego never occurred. (T 98) [T-6.II.10.]

Yet it is surely clear that the Perfect need nothing, and you cannot experience perfection as a difficult accomplishment, because that is what you are. This is the way in which you must perceive God's creations, bringing all of your perceptions into the one line the Holy Spirit sees. This line is the direct line of communication with God, and lets your mind converge with His. There is no conflict anywhere in this perception, because it means that all perception is guided by the Holy Spirit, Whose Mind is fixed on God. Only the Holy Spirit can resolve conflict, because only the Holy Spirit is conflict-free. He perceives only what is True in your mind, and extends outward only to what is True in other minds.

Wherever He looks He sees Himself, and because He is united He offers the whole Kingdom always. This is the one message God gave to Him and for which He must speak, because that is what He is. The Peace of God lies in that message, and so the Peace of God lies in you. The great Peace of the Kingdom shines in your mind forever, but it must shine outward to make you aware of it.

Be love. Teach Love and, therefore, we will learn that you are Love. Don't just expect miracles. Know that you are the one that is sent to *allow miracles to be given through you*. It just happens when you *choose* to Love. (JT - H)

.....

Allow Peace To Flow Over You Like A Blanket Of Protection and Surety

Put not your faith in illusions. They will fail you. Put all your faith in the Love of God within you; eternal, changeless and forever unailing. This is the answer to whatever confronts you today. Through the Love of God *within* you, you can resolve all seeming difficulties without effort and in sure confidence. Tell yourself this often today. It is a declaration of release from the belief in idols. It is your acknowledgment of the Truth about yourself. (WL 50) [W-50.4.]

Let this idea sink deep into your consciousness. Repeat it, think about it, let related thoughts come to help you recognize its Truth, and allow peace to flow over you like a blanket of protection and surety. Let no idle and foolish thoughts enter to disturb the Holy Mind of the Son of God. Such is the Kingdom of Heaven. Such is the resting place where your Father has placed you forever.

When I walked upon this plane, I would have never guessed that I would be doing this work. My Father hadn't let me in on it yet. It's probably a good thing He didn't. Can you know what is around the corner for you? Do you need to know? The mind that is fearful looks ahead and wonders. The mind that is awake lives in this moment and it is enough, because that mind knows that it is sustained by the Love of God, and if it is True in this moment, it certainly won't change in the next. (JT - H)

Be at peace, then, in all things and give no thought for tomorrow in what you shall eat and in what you shall wear and what you might be doing five years from now. But be the Presence of Love now and the future will very easily take care of itself. And you shall be more than you think you are today.

.....

There Are No Obstacles To Minds That Join In Love!

I Love you. Please do me but one favor: Love your brothers and sisters, though you don't even know their names, as you believe I have Loved you. And if you have felt that Love, please give it away. In so doing you have honored the Son that dwells within you, and by honoring the Son that dwells within you, you have indeed honored me, and I give thanks for every moment you choose to extend your Love to another.

I shall never leave you, and when this work is done, think not that I will go away from you. But I call you to quicken your choice to hear me and to abide with me always as your friend and as your brother. I Love you and I want you to be my friend. And even though you are in a body, think not that that body can be an obstacle to our communion, our communication and our celebration that we are as our Father has created us to be: the Thought of Perfect Love. And if you *seem* to have the form of a body while I *seem* not to, what difference does it make?

There are no obstacles to minds that join in Love. Forgive your brother and sister. Forgive yourself for ever having thought that you were separate one from another, that the world was a place in which you needed to be fearful. For Perfect Love casts out fear. And it has been your only enemy. Fear blocks the knowledge of the Kingdom. Let that Perfect Love, therefore, be in you, even as it is in me, given to you.

All aspects of fear are untrue because they do not exist at the Creative level, and therefore do not exist at all. To whatever extent you are willing to submit your beliefs to this test, to that extent are your perceptions corrected. In sorting out the false from the True, the miracle proceeds along these lines:

Perfect Love casts out fear. If fear exists, then there is not perfect Love.

But:

Only perfect Love exists. If there is fear, it produces a state that does not exist.

Believe this and you will be free. Only God can establish this solution, and this faith *is* His gift. (T14) [T-1.VI.5.]

.....

Give Your Love Away and You Will Never Be Without It!

I love you, Holy Son of God. Pray not to die, but to live eternally and to let your Light heal this world. Give your love away and you will never be without it. (JT-H)

Peace be unto you. Peace be unto the only begotten offspring of God, created Changeless and Perfect. That is who you are. And let that Power of that perfection heal every illusion ever held within your mind.

Yes, indeed, that indeed the Kingdom of Heaven might be wed with the Kingdom of this Earth, that Spirit and matter might be united as one. And the Love of Christ be extended as far as from the East unto the West, until it embraces the whole of the creation and all of us return Home as One. Give your peace away and you will never lose it.

And what I said will eternally remain True: I am with you always. I can hardly be anywhere else. I love you, and I thank you. When you rest your head upon your pillow – I will come to you. Will you open the door and allow me in?

Cherish, then, this work and I hope you will have used it as a bridge to come wholly to where I am, for I wait to truly embrace you. Yet we shall work *together* to serve the Atonement of the Sonship. We shall Love every brother and sister that the Holy Spirit brings to us, and though you may not see the form of the work you will be doing, it will be revealed to you.

And I will join with you as your friend and your brother, and together as One we shall embrace the whole of creation and offer it on the platter of the awakened Heart of Christ back to the Father. What else is there to do?

Peace be unto you.

Amen.
