

A Message From The Shanti Christo Foundation ..

*You Are What
You Seek!*

There is no one who would come to this teaching who has not heard the call nor who has failed to answer that call. And yet if you would receive it, the call that the Father would give unto you and the choice that you would make to hear that call is but the natural and necessary response of the soul, for illusion knows limitation. And when you have journeyed through every time and every place, and when you have in Truth touched all forms of experience known within the mind of mankind, sleeping in his dream of separation, then does the soul turn about and begin its journey to the abode of the Father.

There is not one among you who is not the prodigal son. Nor is there one among you who is not already the Awakened and holy Son of God. If you would know me, know yourself. And if you would embrace me, embrace yourself. And if you would be where I am, then come to this place within yourself, even that secret chamber that lies deep within your heart, that chamber that encompasses the very throne of the Father you would know. For it is there that He sits waiting for the sleeping Child to hear His call, and to turn about the illusions born of your world and to step lightly and easily and without effort into His throne room. And there again will He embrace you with arms of infinite Love, perfect Wisdom and eternal Peace. In feeling and knowing the embrace of our Holy Father, you will know beyond doubt that you have never left this embrace.

As I have spoken unto you, I speak yet again: All that I am is as a mirror and a demonstration mirroring back to you what has lain sleeping within your hearts, a demonstration of the potential that you already contain. Indeed, all that I am and all that I brought forth upon this your beloved Earth was but the Truth of your own being.

The time is upon this plane for the sleeping Son to awaken and to remember his rightful place, sitting at the right hand of the Father, the perfect servant of a grand Mystery. And the Awakened Son longs for nothing, craves nothing, desires nothing and, therefore, lacks nothing.

Peace be unto you always.
