## **You Are The Arisen and Holy Son of God and Nothing Is Impossible To You – *Nothing!***

Well, imagine being God – infinite, vast, without a top or bottom or a left or a right, filled with nothing but pure, unconditional, radiant Love! Can you imagine being able to contain yourself and say, “Oh, well, I think I’ll just sit here in this and not let anybody notice it?” No! God said, “Let there be Light!” And it was very good! And He looked upon all of Creation that He brought into existence in one split second and said:

“Lo, it is very good! This is My play! And My Joy and My Love and My Aliveness has poured forth and overflowed My Grand Being and brought forth into manifest creation – you!”

{WMe 106} (WM 101)

You – each and every one of you – are made of the very substance of that overwhelming Love and playfulness that has the power to create infinitely and thereby to extend creation itself! That is who you are! That is where you find yourself now, and *now*, forever. And you will never escape it.

Mastery comes when fear has been completely dissolved. And fear is dissolved, not by fearing it, not by hating it, not by judging it, but by being looked upon with Perfect Innocence. Embraced in the same way that as a scientist would watch the ripples of a little pebble that’s been dropped into a pool of water to see how they’ve created other ripples and other temporary disturbances in the field or the surface of the water. {WMe 107} (WM 101)

As you look within and notice the things you’ve become afraid of, and how fear has constricted your creativity, your joy, your playfulness, and your unlimitedness, you merely look with innocence and wonder and say, “Oh, I see how that ripple has affected the creation that I call my life. Hmm? Do I like it? Not any more. Good! I think I’ll be rid of that. What can I replace it with?”

Mastery is a state in which you have embraced yourself as a ceaseless creator and assumed complete responsibility for everything which comes into the field of your awareness *without judging it*, so that you can simply decide whether it’s going to stay or be dissolved in its effects. Mastery *is* fear-less-ness, no longer fearing the infinite, creative power of your Perfect Union with God. “I and my Father are One!” is one expression of mastery. {WMe 107} (WM 102)

### **All Power Is Given Unto You to Know the Secrets of the Kingdom of Heaven!**

Would you not *play* at remembering that you embrace the whole of creation? What is called imagination ... when you close your eyes and think on a friend and you see an image as though you were walking in a room with them, think it not to be your imagination. It *is* taking place. It is taking place, and you can communicate with anyone at any time. Now, how are you going to know if they heard you? (JT - E)

By listening. To say what you have to say, and ask them what they think, and to listen. When that barrier begins to break down, it then becomes possible to call your friend physically on the phone and say, “Did you catch me last night?” And the friend will say, “Yeah, yeah I did.” Some know what that is like.

How liberating is it to do that? It is very liberating. Does it not teach you that the body is not a boundary? That is liberating, indeed. This thing {pointing to the body} was created in error, but it was *translated* into a vehicle to communicate and to extend Love – only as a momentary correction until the Sonship recognizes that there is really very little need for them. Then, you see, you can take the mountains of dust that you have taken from the Earth and give it back to Her. You know – soil depletion.

Indeed. And those realms and worlds are available to all of you now by trusting your knowingness and releasing your fears. *All power is given unto you to know the secrets of the Kingdom of Heaven* and to use them and extend them and live with them until they are not needed any longer because your brother and sister have also mastered them.

.....

### **Be You Conformed to the Truth of Your Only Reality!**

*The face of Christ* has to be seen before the memory of God can return. The reason is obvious. Seeing the face of Christ involves perception. No one can look on knowledge. But the face of Christ is the great symbol of forgiveness. It is salvation. It is the symbol of the Real world. Whoever looks on this no longer sees the world. He is as near to Heaven as is possible outside the gate. Yet from this gate it is no more than just a step inside. It is the final step. And this we leave to God. (M 83) [79-80]

How lovely does the world become in just that single instant when you see the Truth about yourself reflected there. Now you are sinless and behold your sinlessness. Now you are Holy and perceive it so. And now the mind returns to its Creator; the joining of the Father and the Son, the Unity of unities that stands behind all joining but beyond them all. God is not seen but only understood.

Oh, precious friends, the arisen Christ only extends Love and never laments the past. It has served its purpose. Perhaps it has taught you a lesson. Perhaps it showed you the contrast through its pain of what it means to choose fear instead of Love, to choose self-contraction instead of self-giving. And if you have looked and have been pained by what you see in your past, count it as a blessing because it teaches you what you can do now, where you are. (JT - E)

The guilt of the past cannot come with you. It is not a burden to you at any time because your Father has already forgiven it. The slate is clean in every moment, if you would but receive it. Love then, indeed, the one who stands right before your eyes.

Learn – please learn – that any moment in a relationship, when one stands in front of you, to have your attention wholly on them and they will feel the **Love of Christ**. They might even think that you are the one doing it. You're just the one *allowing* it to be done.

Be you not conformed therefore to this world, *but be you conformed to the Truth of your only Reality: you are the arisen and Holy Son of God and nothing is impossible to you – nothing. Indeed.*

### **Forgiveness Needs to Be Extended With Equality Unto All Dreams to Which the Mind Will Yet Cling!**

Forgiveness. If there is but one shadow or one thought or one ancient memory that seems yet to crop up within you, that seems to disturb your peace and still control you, know it is because you have chosen not to extend your forgiveness to it. And the part of you that is doing that is the ego – the part that speaks from conflict, from fragmentation and separation. When you notice that, be bold enough to choose anew so that you hold not back one shadow for yourself that the ego would use to say, "Do you see? I knew it. No matter what I do I can't quite be happy." (JT - FF)

It is as if someone came along and said, "If you want to be happy, just unclench the fist so that the palm is open, so that it can receive." And you go, "Very well. It didn't work. See, I did it and it didn't work." But you still had two fingers clenched. "No, no, but you see, I have to keep these clenched. Because what they are holding onto is really real. I let go of the stuff that was only semi-real, but this is really real, and you don't understand. It's not like anything you've ever experienced. This is really real."

Can there be degrees to what is unreal? No, and each dream of guilt or shame or pain or hurt, each dream carries an equality with all the rest, and the equality is based on the fact that they are wholly unreal. Not to the ego that experiences them, but they are unreal because they do not truly touch and harm that infinite place of Light that dwells as you even within the dream as it occurs.

That is why forgiveness is so important: because *forgiveness needs to be extended with equality unto all dreams to which the mind will yet cling*. For some confuse forgiveness with the hope that once it is extended, the memory will disappear. In time it will. It will disappear in the very same way that the dream of being a body in space and time will fade away. And that is not unlike the most powerful dreams you have when you sleep, and yet when you awaken in the night, it may linger with you over your morning coffee – or whatever it is you have. It may linger with you as you take yourself to your place of employment or to the park for a walk – whatever it is you do. You've all had that experience. Sometimes the dream lingers, maybe for days. There comes a point when it's gone.

In just the same way even the dream of space and time will come to be forgotten as if it had never been. And that is true for everything that you believe yet controls you. "If I relinquish what I'm clinging to because it's all I have known and all I have believed, what would befall me?" Growth and peace.

And that which you have decided to value as having a greater sense of reality seems to be the hardest thing to forgive or let go of, and they become as weights upon the Heart that seem to keep the soul stuck.

.....

### **The Bridge That Illuminates Your Heart and Your Mind**

Forgiveness carries you from this world to where I am and *where only passion is*: in every brother and sister that God has created and given unto me who would come wholly to where I am – because you are already there. And coming home, then, is but the recognition of the Truth that has never changed and cannot change.

The bridge, then, reveals to you that the world you would believe in is so wholly insane that, as you drive down the road in your automobile, you can remember the Truth and say with me, "My presence blesses this world."

And from that moment, you are on the bridge that must necessarily lead you beyond all worlds. The bridge that carries the Holy Child of God home again. The bridge that reveals to you that you do not live in space and time – only the body and ego do because they are the dream of separation. The bridge that reveals to you that you are eternal and changeless and unchanging forever.

That bridge that brings you into the knowingness that you, the essence of who you are, has been brought into existence for no other reason than to be and express and extend the Perfect Love that is the presence of God. There is no other purpose. *The bridge that illuminates your Heart and your mind* with the recognition that you live, yet not you but that Christ lives as you and that this alone has always been the Truth and the sole essence of your only Reality.

.....

### **God Established His Relationship With You to Make You Happy!**

To forgive is merely to remember *only* the loving thoughts you gave in the past, and those that were given you. All the rest must be forgotten. Forgiveness is a selective remembering, based not on your selection. Be willing to forgive the Son of God for what he did not do. <sup>1</sup>

How can the Holy Spirit bring His interpretation of the body as a means of communication into relationships whose only purpose is separation from Reality? What forgiveness *is* enables Him to do so. If all but loving thoughts has been forgotten, what remains is eternal. And the transformed past is made like the present. No longer does the past conflict with *now*. <sup>2</sup>

It is still up to you to choose to join with Truth or with illusion. But remember that to choose one is to let the other go. Which one you choose you will endow with beauty and reality, because the choice depends on which you value more: the spark of beauty or the veil of ugliness, the Real world or the world of guilt and fear, Truth or illusion, freedom or slavery. For you can never choose except between God and the ego. Thought systems are but true or false, and all their attributes come simply from what they are. Only the Thoughts of God are True. And all that follows from them comes from what they are, and is as True as is the Holy Source from Which they came. <sup>3</sup>

*God established His relationship with you to make you happy*, and nothing you do that does not share His purpose can be real. The purpose God ascribed to anything is its only function. Because of His reason for creating His relationship with you, the function of relationships became forever "to make happy." *And nothing else.* To fulfill this function you relate to your creations as God to His. For nothing God created is apart from happiness, and nothing God created but would extend happiness as its Creator did. Whatever does not fulfill this function cannot be real. <sup>4</sup>

In this world it is impossible to create. Yet it *is* possible to make happy. I have said repeatedly that the Holy Spirit would not deprive you of your special relationships, but would transform them. And all that is meant by that is that He will restore to them the function given them by God. <sup>5</sup>

### **"Let me remember I am One with God!"**

Today we will again give thanks for our Identity in God. Our home is safe, protection guaranteed in all we do, power and strength available to us in all our undertakings. We can fail in nothing. Everything we touch takes on a shining Light that blesses and that heals. At One with God and with the universe we go our way rejoicing, with the thought that God Himself goes everywhere with us. (WL 124)

How Holy are our minds! And everything we see reflects the Holiness within the mind at One with God and with itself. How easily do errors disappear, and death give place to everlasting Life. Our shining footprints point the way to Truth, for God is our Companion as we walk the world a little while. And those who come to follow us will recognize the way because the Light we carry stays behind, yet still remains with us as we walk on.

And God, Who Loves us with the equal Love in which we were created, smiles on us and offers us the happiness we gave. Today we will not doubt His Love for us, nor question His protection and His care. No meaningless anxieties can come between our faith and our awareness of His Presence. We are One with Him today in recognition and remembrance. We feel Him in our Hearts. Our minds contain His Thoughts; our eyes behold His Loveliness in all we look upon. Today we see *only* the Loving and the Lovable.

We see it in appearances of pain, and pain gives way to Peace. We see it in the frantic, in the sad and the distressed, the lonely and afraid, who are restored to the tranquility and Peace of mind in which they were created. And we see it in the dying and the dead as well, restoring them to Life. All this we see because we saw it *first* within ourselves.

No miracle can ever be denied to those who know that they are One with God. No thought of theirs but has the power to heal all forms of suffering in anyone, in times gone by and times as yet to come, as easily as in the ones who walk beside them now. Their thoughts are timeless, and apart from distance as apart from time.

We join in this Awareness as we say that we are One with God. For in these words we say as well that we are saved and healed; that we can save and heal accordingly. We have accepted, and we now would give. For we would keep the gifts our Father gave. Today we would experience ourselves at One with Him, so that the world may share our recognition of Reality. In our experience the world is freed. As we deny our separation from our Father, it is healed along with us.

Add further jewels to the golden frame that holds the mirror offered you today, by hourly repeating to yourself:

*"Let me remember I am One with God,  
At one with all my brothers and my Self,  
In everlasting Holiness and Peace."*

.....

### **Perhaps Today, Perhaps Tomorrow!**

Peace be to you today. Secure your Peace by practicing Awareness you are One with your Creator, as He is with you. Sometime, whenever it seems best, devote a half an hour to the thought that you are One with God. We give no rules nor special words to guide your meditation. We will trust God's Voice to speak as He sees fit today, certain He will not fail. Abide with Him this half an hour. He will do the rest.

Your benefit will not be less if you believe that nothing happens. You may not be ready to accept the gain today. Yet sometime, somewhere, it will come to you, nor will you fail to recognize it when it dawns with certainty upon your mind. This half an hour will be framed in gold, with every minute like a diamond set around the mirror that this exercise will offer you. And you will see Christ's face upon it, in reflection of your own.

*Perhaps today, perhaps tomorrow*, you will see your own transfiguration in the glass this Holy half an hour will hold out to you, to look upon yourself. When you are ready you will find it there, within your mind and waiting to be found. You will remember then the thought to which you gave this half an hour, thankfully aware no time was ever better spent.

*Perhaps today, perhaps tomorrow, you will look into this glass, and understand the Light you see belongs to you; the loveliness you look on is your own. Count this half hour as your gift to God, in certainty that His return will be a sense of Love you cannot understand, a Joy too deep for you to comprehend, a Sight too Holy for the body's eyes to see. And yet you can be sure someday, perhaps today, perhaps tomorrow, you will understand and comprehend and see.*

### **You Are Loved Wholly and You Have Never Sinned!!!**

You are here to remember that you are the thought of Love in form. You are here to remember that you are One with God. You are here to remember that what I have called Abba, the Father, though it goes by many names, is the source of your only Reality. And you are living in Reality only to the degree that That One is living through you. {WMe 62} (WM 59)

When restoration has been completed, and the mind no longer seeks to journey out into the fields of illusion, but simply rests, empty, at One with God, *then* creation can begin anew, and co-creation is in the hands of both you and your Creator. {WMe 249} (WM 233) And because you are One with God, there is never a moment when you lack anything at all. {WMe 22} (WM 20)

*You are loved wholly and you have never sinned.* Nothing you have ever said or done has ever caused failure in this universe. Nothing you've ever said or done has ever separated you from the Love that God is. And try as you might, nothing you could ever say or do will ever separate you from the Love that lives in and is the essence of your being. And in the end, the Atonement is completed in you, even as it was completed and then demonstrated in me, by your willingness to relinquish every last trace of perception of separation from God. To have the audacity to accept a new idea: "There's nothing outside of me. I look not upon a stranger. I see only myself. I am free to extend Love and to choose Peace. I am free now because, no matter what, now I choose to hear only the Voice for Peace." (JT - FF)

Be at Peace in all things and remember when you look upon anyone, there you will find yourself. And when you abide in the Light of Christ, you cannot help but know that Christ is longing to be birthed in the one who stands before you. (ARC)

It is given unto you to extend that bridge that can allow them to come to the choice to be made. Not so much through words but by being the presence of that Light.

Peace to you. Amen
