**I Will Show You
The Way!**

From Study Group Paper: I Will Show You The Way! - with ACIM

The bliss, the wisdom, the creativity, the laughter, the friendships, the family, the joy, the serenity, and the peace – that have been, for the most part, seen as an impossible dream – will become your most ordinary state of being. Yet, none of it can occur through any power that can move through me.

I can guide you. I can show you the way. And I can walk beside you on the way that you have chosen. At times, I can give you my strength until yours is as certain as mine, by carrying you. But ultimately, you must demand that I put you down so that your feet touch the soil of the Kingdom of Heaven and you walk, under your strength, under your certainty, beside me.

You will indeed find in that day and hour that as often as you ask it of me, I will ask you, "How do you think we could do this? What would you like to create with me?" And then, indeed, we are as brother and brother, sister and brother, friends, dancing and playing in the Kingdom prepared for us of our Father.

For the ultimate state of consciousness is not an aversion of this world, but the embracing of this world. There is no greater sense of freedom than to be able to abide where you are as one who is free. ~ Jeshua
