From Study Group Paper: Trust, Precious Friends, Is The Foundation For A Miraculous Life! with ACIM

Precious friends, please be who you are and you are the Light. Extend the peace that you are and you will heal the world.

You are eternal. There is never going to be a moment in which you cease to exist. So you might as well practice existing as Love, as Love because Love heals all things.

Let your perception be translated into Vision. Dare to be one who lives only from Vision. Not from the perceptions of the world that would teach you, you have to find a way to survive today and tomorrow and the next day but open to Vision. Let Vision be your guide. Dare to see a world totally healed and then ask, "How can I participate in that?"

The distance between us is smaller than the distance between two thoughts. Think about what that must mean for there is no distance in the mind at all. Therefore, there is no distance between where you may yet think you are and where I am, and my hand is stretched out to you and I stand on just this edge of a world you have dreamed into being and the threshold that seems to be between us is for you to step across and you do so each time you choose to hold the thought in your mind:

"I am but Love and I choose nothing else."

I love you, I love you with a depth that your world could never possibly comprehend. It's actually very simple you see, because when I love you, I embrace myself. That is who you are to me. That is why each and every one of you is so dear to me. I see only Christ in you. I see power and I see compassion and great wisdom. I see beauty and perfection.

~ Jeshua
