**It Is You and You Alone Who
Will Transform Your World!**

From Study Group Paper: It Is You and You Alone Who Will Transform Your World!

Beloved and holy child of God, know always that what I share with you is given me of our Father to extend unto you with nothing less than unconditional Love. Many of you cannot yet know just how deeply I Love you. But you will. For when you have chosen to release the last vestige of the habit of mind with which you have identified, you will be overwhelmed by the Truth and Reality of that unconditional Love that has surrounded you, enveloped you, sustained you, created you and kept you safe since before time is. And you will feel it full force, and it is that Light and that Love that will vanquish all shadows, and then you will know how much I have Loved you.

Holy and precious brothers and sisters, I long for nothing less than that one moment in which you choose to abide where I am, and to join with me in declaring this most simple of Truths:

"I and my Father are ONE. And I will go out no more from my Father's perfect place. And all that I would do from this moment, I do because the Father does it through me. I cling not to the fruit of my action, but I return all things unto the Father, Who alone knows how creation is to be brought back unto Him."

In Truth, my Love is eternally extended unto you because It lies within you.

And my blessings I would shower upon you, if you would but open your Heart and receive me. For, in Truth, to receive me is to know me and to know me is to have embraced your Self. And to have embraced your Self is to have returned to that most sacred of unions, even that of the Father and the Son who are eternally One.

~ Jeshua
